There seems to be a gathering of a officials and highly esteemed personnel of the city they seem rich and prosperous. The place is packed with security guards and is flashy with expensive cars. There seems to be a prominent figure standing on the podium .He is mayor of the city ,seemingly pompous he is describing some good things under his administration.

SARAH

(Audio sounding worried)

Veer what are you doing among security guards ? How will you escape after taking the shot..Veer..Veer..

There is no response to her voice.

SARAH (CONT'D)

Are you okay veer? if you are compromised please let me know. Sohail is on stand-by should I send him in the hall.

VEER

(In a commanding tone)

No Not that bastard..keep him away from me.. and tumhe kisne bataya ki mai uss hall mai hoon..

SARAH

(stubborn)

But your gps tracker displays that you're in there.

Sarah looks on the screen she seems confused as she sees the location of veer on her device. On His device it seems that veer is right in the hall.

VEER

(Smirking)

You see Sarah that gps tracker doesn't display anything in 3d.

The next moment Veer adjusts his rifle which he has drilled on top of the dome. He smiles and then presses the trigger. The next moment the mayor speaking falls down as the bullet from top pierces his head. Suddenly there's silence in the hall, followed by kaos. Veer had just taken shot right from above.

Guards first seem bewildered as chaos reigns everywhere. Then they get alert.

One guard then looks upwards. Then suddenly one guard takes position and with his scope. And Seeking some movement he shoots on the top of the dome. Bullets start flying around veer from beneath . He realizes that he needs to disappear from there fast.

SARAH

Veer ! Veer! Are you alright?
You have to vanish..

VEER

(Pressing his bluetooth)
Is my escape route compromised?

SARAH

Not exactly but you'll have to be quick. I'll Set sohail for covering you up..

VEER

(puns)
I don't need him. He'll end up getting myself killed.

VEER runs in a hurry as he packs his equipment on his backpack. He runs seeing the guards coming the upwards he jumps and takes cuts using his athletic ability. As he's just about to escape a guard spots him. He Urges veer to freeze. Veer backward looking right on his knees.

GUARD

(Commanding)
On your knees.

He calls for backup. But VEER doesn't listen to his command he only stands still. The guard shouts again.

SARAH

You need to escape now.

Sarah keeps on repeating this totally in panick.

SARAH (CONT'D)

I'm asking sohail to take the shot.

VEER

(discreetly on microphone)
No sarah. He Would have already taken it. He Just wants to see me dead.... Haa Na sohail....

There is no reply from sohail on the microphone. Angry Eyed veer takes out his gun and shots the guard in a very classy way. As he tries to run away the guards backup gets behind him.
